Patterns of social practices and activities in the early ALPC settlement of Bükkábrány-Bánya VII

(Northeast-Hungary) 439

Information for Contributors 477

Sprawozdania Archeologiczne is regularly listed in the International Current Awareness Service: Anthropology. Selected material is indexed in the International Bibliography of social and Cultural Anthropology.

Indexed in:

IBZ – International Bibliography of Periodical Literature

IBZ – CD-ROM

Information for Contributors

Manuscripts are accepted for review with the understanding that the same work has not been published, that it is not under consideration for publication elsewhere, and that its submission has been approved by all of the authors and by the institution where the work was carried out. Articles and any other material published in ***Sprawozdania Archeologiczne*** represent the opinions of the author(s) and should not be construed to reflect the opinions of the Editor and the Publisher.

Sprawozdania Archeologiczne is interested in: (1) all research questions and results of field survey, in all periods in Poland, Central and South-Eastern Europe, (2) all types of archaeological method, whether survey, excavation or analysis, (3) matters of interest to the archaeology profession and its interaction with society (4) book reviews, as well as discussions, criticism and chronicle of archaeological events.

Submission

Please, submit separate text and graphics files. Our preferred text format is Microsoft Word. If submitting your manuscript as a Word file DO NOT embed figures and tables in the text. Figures should be submitted as separate high-quality JPG or TIFF files. Resolutions must be 300 dpi or higher and image dimensions should be 125 mm (width) x 170 mm (height).

The title page should contain: author's name, author's affiliation, the article title. An abstract in English is to be provided, no longer than 150 words, accompanied by a list of 5-6 key words.

Submitted text should be written in English or German.

All submissions are considered by the Editor in the first instance. Suitable papers are peer-reviewed.

Proofs

Authors will receive a proof of their article as a PDF file. Please note that only typographical or factual errors may be corrected at proof stage.

References

References should be listed alphabetically at the end of the paper and referred to in the text by the author's surname, date of publication and page number, e.g. (Blake 1998, 59), or (Kruk, Milisauskas 1983, 259). Where there are three or more authors, only the first author's name is given in the text, followed by *et al.*, e.g. (Sofer *et al.* 2000, 814). Full numbers for pages and dates should be used, e.g. 35-37, 123-135. Footnotes should be avoided.

In order to save editorial time, please use the following template for the list of references to articles submitted to ***Sprawozdania Archeologiczne***.
